

## **Zedcor Energy Inc. Announces Refinancing**

CALGARY, ALBERTA – March 28, 2018: Zedcor Energy Inc. (the "Company" or "Zedcor") (TSX VENTURE: ZDC) is pleased to announce that it has signed a \$13.5 million credit facility with ATB Financial. The facility is comprised of a \$3 million operating loan facility, which replaces the previous \$1 million operating loan facility, a \$2.5 million term loan facility, which will be used to pay out the guarantee from the Loan and Security Agreement with Maynbridge Capital, and a new \$8.0 million equipment finance facility.

The operating loan is a revolving facility that bears interest at a rate of prime plus 3.3% and is secured by the Company's accounts receivable. The term facility will mature in two years, bears interest at a rate of prime plus 3.3% and is secured by a shareholder guarantee. Monthly interest payments are required over the term of the loan with a bullet payment at maturity. The shareholder guarantee bears interest at a rate of 5.0% per annum and is paid monthly through the issuance of shares.

The \$8.0 million equipment finance loan will be used to finance 75% of the purchase of new rental assets for which there is strong demand. This facility can be drawn in tranches, is amortized over 36 months, bears interest at a rate of 6.1% and is repayable in equal monthly installments of principal and interest over the term.

The \$13.5 million credit facility has industry standard positive and negative lending covenants and has financial covenants that requires the Company's current ratio does not fall below 1.50:1.00, the debt service coverage ratio does not fall below 1.25:1.00 and the share value of the shares pledged under the shareholder guarantee not be less than 1.25 times the value of the outstanding term facility.

On March 28, 2018, the Company also renewed the Loan and Security Agreement with Maynbridge Capital in the amount of \$17.5 million for an additional six months with an option to renew for an additional six months at the satisfaction of the lender. The renewed Loan and Security Agreement bears interest at 12.75% and will be serviced by six months of interest only payments, followed by six months of principal and interest payments in the event that the loan is renewed. The facility no longer has any shareholder guarantees pledged as security, and all covenants and collateral remain unchanged. The Company now has the option to repay \$7 million of the facility at any time without penalty. The Company also amended its Warrant Agreement with Maynbridge to increase the exercise price to \$0.27 per share from \$0.25 per share and to extend the expiry date of the warrants by one year to July 21, 2020.

Ian McKinnon, President & CEO, stated "This new refinancing is the next step in our strategy to strengthen our balance sheet and reduce our cost of capital, while also financing new growth opportunities which we expect to deliver positive cash flow".
